

Smarter Collaboration 360 Launch Event – November 13

Join our virtual launch event for the new SC360 development tool.

The SC360 provides invaluable feedback and actionable advice on how to collaborate smarter.

Key Highlights:

- Designed around the principles of smarter collaboration
- Input from managers, peers, directs reports, and clients
- Insights spanning nine core collaborative competencies
- Research-backed advice – superpowers, watch-outs, undiscovered strengths, and growth opportunities
- Detailed personalized report
- Automated platform enabling easy process management and status monitoring
- Complements the Smarter Collaboration Profile

To accommodate multiple time zones, two launch sessions are available:

- November 13, 9:30 - 10:15 a.m. EST (click [here](#) to register)
- November 13, 7 – 7:45 p.m. EST (click [here](#) to register)
